

Dear Shree Kera-Kundanpur Gaam Members,

Jay Shree Swaminarayan, Jay Shree Krishna, Namaste,

The Executive Committee and Trustees of Shree Kera Kundanpur Community London (UK), made the decision earlier this year to cancel our Annual Function which was due to take place on 12th September 2020. It was a very sad and difficult decision, but we know this is the safest thing to do in the current climate.

Our first and foremost priority is the health and safety of our members and those around us. Bearing in mind the nature of the COVID-19 virus which has erupted with no cure and spreading rapidly, we have no choice but to follow the set government guidance and directives. At these difficult times, the best thing for us to do is listen and follow the guidelines which the government have set out. The guidelines are simple and for our own health and most importantly, safety of our family and Gaam members.

As a sign of respect with so many deaths in the UK, globally and within our community, it would be insensitive to hold such festivities this year.

Let us all remain calm, stay home, and pray to improve the situation and return life to normality as soon as possible. Let us also pray for those who have sadly passed away.

Our 3-Year membership term ended in 2019 and new membership will commence once it is safe to hold such events. Further to new COVID-19 restrictions put in place by the government, we are unable to finalise a date for our Annual Function in 2021.

KKC Executive Committee will make a decision to hold our next function when it is deemed safe to do so. All Gaam members will be advised when it is safe to hold our next Annual Function. In the meantime, we wish you well and please keep safe.

Kind Regards

Shivlal Hirji Vekaria

President: Kera-Kundanpur Community UK
